AUGUST—THE IMMACULATE HEART OF MARY

The month of August is dedicated to the Immaculate Heart. The physical heart of Mary is venerated because it is united to her person and is the seat of her love (especially for her divine Son), virtue, and inner life. Such devotion is an incentive to a similar love and virtue. On October 31, 1942, Pope Pius XII made a solemn

Act of Consecration of the Church and the whole world to the Immaculate Heart. Let us remember this devotion year-round, but particularly through the month of August.

THÁNG 8 KÍNH TRÁI TIM VÔ NHIỄM NGUYÊN TỘI

Tháng Tám dành riêng cho Trái Tim Vô Nhiễm Nguyên Tội. Trái tim thể xác của Đức Maria được tôn kính vì đã được kết hợp với con người của Mẹ và là nơi ngự trị của tình yêu Mẹ (đặc biệt là đối với Con Thiên Chúa của Mẹ), nhân đức và đời sống nội tâm. Sự tận tâm như vậy là động cơ cho một tình yêu và đức tính tương tự.

Ngày 31 tháng 10 năm 1942, Đức Giáo Hoàng Piô XII đã long trọng thực hiện một Đạo luật cung hiến Giáo hội và toàn thế giới cho Trái Tim Vô Nhiễm Nguyên Tội. Chúng ta hãy ghi nhớ lòng sùng kính này quanh năm, và đặc biệt là trong tháng Tám.

THE CENTER OF A MEANINGFUL LIFE

Today's readings invite us to reflect upon some of life's deepest questions, and to explore the meaning of faith. We hear of the universal human search for meaning in our lives in the book of Ecclesiastes. In Luke's Gospel, we hear Jesus' parable about one who foolishly seeks ultimate security through the accumulation of wealth. In Colossians, faith in the crucified and resurrected Christ is proclaimed as the path to a richly purposeful and meaningful life. The path of Christian faith places our work, our sufferings, and our limitations within the larger picture of God's purposes for all of us. In Jesus, God is revealed as our companion in human suffering and limitation. God's love is at the center of a meaningful life. We place our trust in this loving God, who created us to share in this love, and to share this love with others.

TREASURES FROM OUR TRADITION

When Pope Pius XII died in 1958, there was the usual buzz of speculation about likely successors. Cardinal Agagianian, Patriarch of the Armenians, was highly thought of as a likely choice. This took many Catholics by surprise, since he had never celebrated the same liturgy as Pope Pius, but followed ancient Armenian customs according to the Eastern Church, which veils the Eucharistic liturgy from sight by a series of curtains, and in which the priest kneels while the people stand for Communion.

In the years that followed, the Second Vatican Council would affirm the dignity and independence of the Eastern Churches, in complete union with Rome, yet different in patterns of life and worship. We have the same faith, the same sacraments, and the same pope. Yet everywhere in the world our separate Churches are combined into families held together by the ministry of bishops. All of this serves as warning: If you ever say, "But we've always done it this way," you are on very thin ice indeed!
