Gospel — As Jesus blessed his disciples, he parted from them and was taken up to heaven (Luke 24:46-53).

PRAYER OF THE WEEK: *At the Mass during the Day* Gladden us with holy joys, almighty God, and make us rejoice with devout thanksgiving, for the Ascension of Christ your Son is our exaltation, and, where the Head has gone before in glory, the Body is called to follow in hope. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

Abortion is the Greatest and Gravest Moral-Pastoral issue facing the Universal Church

Our pastoral actions must include working with government and court agencies at a local state and national level. As we mark the remembrance of the Supreme Court decision on abortion in 1973, we must now more than ever promote legal and civil action to overcome this death sentence. We need to remember and take action from what the Supreme Court admitted in Roe v Wade: “if...personhood (for the unborn) is established, the appellant’s case, of course, collapses, for the fetus right to life is then guaranteed specifically by the 14th Amendment”. Based on this conditional statement, and science has confirmed that life begins at conception, so the members of the Supreme Court are obligated to rescind the decision of Roe v Wade. The 14th Amendment to the Constitution states: “nor shall any state deprive any person of life, liberty or property, without due process of the law, nor to deny any person within its jurisdiction the equal protection of the law”. Science is now totally clear that human life begins at conception when a new human being is formed, and the American people must now oppose abortion on demand and want innocent life to be protected especially when it is most defenseless. It now belongs to congress, if the Supreme Court does not reverse itself to resolve the question of when human life begins. For this to happen, we must all now support A Life at Conception Act, by declaring that unborn children are persons legally entitled to constitutional protection. This fact will rescue millions of unborn children from dying by abortion on demand.

SONNY SAYS: Marriage – Name Calling; Praise.

A young woman was in the back yard the other Saturday talking with some neighbors. Her husband came out on the back porch and yelled at her, “Hey, Stupe, how about some lunch?”

The young wife hastily said goodbye to her friends. But one quickly asked, “How come you tolerate your husband calling you ‘Stupe’?”

“Why not?” the young wife answered brightly, as she hurried away, “It’s his abbreviation for ‘Stupendous’!”
