Jesus' power and claims divide those who encounter Him. He is the long-awaited One, and He heals all wounds, even giving sight to the blind. We can trust that Jesus can heal all the wounds of our lives, giving us sight to see and a light to follow in the darkness of sin.

Continue your Lenten Journey, with special prayers for all victims of this virus and for its elimination as soon as possible.

Maternity of the Blessed Virgin Mary Parish

150th Anniversary

1870 - 2020

150th Anniversary Celebrations

Our Parish Mission was conducted from Monday through Thursday, March 2-5. The Mission was truly both a spiritual and uplifting experience. Our former Pastor, Msgr. George Majoros, guided the congregation in 'Following the Cross to Continued Conversion.' He reinforced our beliefs in forgiveness and mercy, both as the recipients and the givers.

A Seed Of Faith That Grew A Garden Called Maternity of the Blessed Virgin Mary Parish

Check out the model of our Old Church that rests on Mary's Altar in the Upper Church. The replica was built many years ago by Neil Coddington, a former parishioner.

These Seventh-Grade Students re-enacted scenes from St. Katharine Drexel's younger days during the 9:30 Mass on Sunday, March 1, and again on Friday, March 6, during the School Mass. Great job!

What Maternity B.V.M. Parish Is Doing to Prevent the Spread of the Coronavirus?

- Increased emphasis on keeping the Church clean and wiping down common areas.
- The Holy Water fonts at all stations will remain empty for now.
- The optional Sign of Peace at Mass has been suspended.
- During Mass, the Celebrant, Deacon and Eucharistic Ministers are washing hands with soap and water before and after Distribution of Communion, and there is no Distribution of the Cup at this time.
- Those receiving Holy Communion should receive with outstretched hands.
- Everyone should practice common sense. Clean your hands often with soap and water for at least 20 seconds. If this cannot be done, use a hand sanitizer that contains at least 60% alcohol. Don't sneeze and cough in your hands; and if you're sick, stay home.
