INFORMATION ON THE GREEN PHASE FOR THE CONTINUED OPENING OF CHURCH IN LIGHT OF COVID 19

The beginning of the Green Phase continues to require precautions to limit the spread of Covid 19 and our responsibility to observe them. All are asked to wear masks at all times while in our church. Announcements about the Green Phase will be provided for parishes and us. Go to Facebook: [maternitybvmphilly](#) for more details as we receive them.

- The faithful are dispensed from the obligation to attend Mass on Sundays and Holy Days.
- Public Masses are celebrated with provisions for social distancing and the limitations for assemblies as revised for this phase. Guidance will be provided.
 - Hymnals and missalettes are not to be used.
 - There is no Procession with Gifts during the Offertory of the Mass.
 - Ushers and Greeters are to wear gloves as they handle the collection of monies.
 - The Sign of Peace and the distribution of the Precious Blood continue to be suspended.
 - Holy Communion will be distributed during each Mass. Out of necessity to avoid a real risk of infection with Covid 19 for the Communion Minister and Communicants, Holy Communion is to be distributed in the hand at this time. If possible, a distinct Communion station may be available for those who continue to choose to receive on the tongue. In this case, the designated Communion Minister is to purify/sanitize before and after each Communion, as should all Ministers.
 - Parish Bulletins and other materials should not be distributed but available for people to take themselves.
- Baptisms, Confessions and Marriages are to take place as usual but with due regard for reasonable social distancing and the limitation of participants according to revised norms.
 - The Sacraments of Christian Initiation for adults and children may take place, again with due regard for reasonable social distancing and the limitation of participants.
- Funeral Masses and Funerals outside of Mass are to take place as usual with due regard for reasonable social distancing and the limitations of participants according to revised norms.
- Communion Services are not to be used as a replacement for the celebration of Mass in any form.
- Priests are expected to celebrate the Sacraments with Holy Viaticum for those in danger of death.

Our Parish Family is following the guidelines from the CDC for sanitation as we continue public Masses. **The Church is sanitized after each Mass. This includes pews, bathroom and common areas. All doors to enter and exit are left open at all times in order to protect our parishioners.**

To view the CDC guidelines, visit:

<https://www.cdc.gov/coronavirus/2019-ncov/php/faith-based.html>

**Mass is streamed on our Parish Facebook Page
and Website on Sundays, Tuesdays
and Thursdays at 8 AM.**
