## Divine Worship

Continuing from Archdiocesan Liturgical Handbook (ALH) Chapter 1H states:

Section 1.37.5: Only what is required for the celebration of the Mass may be placed on the mensa of the altar: namely, from the beginning of the celebration until the proclamation of the Gospel, the Book of the Gospels; then from the Presentation of the Gifts until the purification of the vessels, the chalice with the paten, a ciborium if necessary, and, finally, the corporal, the purificator, the pall, and the Missal.<sup>147</sup>

Section 1.37.6 Microphones that may be needed to amplify the priest's and deacon's voices should be arranged discreetly, but also connected to an adequate general sound system.

Section 1.37.7: On or near to the altar, where it is clearly visible to the congregation, there is to be a cross with a figure of Christ crucified. It is appropriate that the cross, which calls to mind for the faithful the saving Passion of the Lord, remain near the altar even outside of liturgical celebrations. The cross may be carried in procession and placed next to the altar. If there is already a crucifix on or close to the altar, the processional cross is put aside in a dignified place.<sup>148</sup>

Section 1.37.8: Besides sacred vessels and sacred vestments for which some special material is prescribed, other furnishings that either are intended for strictly liturgical use or are in any other way admitted into a church should be worthy and suited to their particular purpose.<sup>149</sup>

Section 1.37.9: The candles, which are required at every liturgical celebration out of reverence and on account of the festiveness of the celebration, are to be appropriately placed either on or around the altar in a way suited to the design of the altar and the sanctuary so that the whole may be well balanced.<sup>150</sup>

## Ambo

Section 1.38.1: It is appropriate that the ambo ordinarily be stationary and not simply a movable lectern. It must be located in keeping with the design of each church in such a way that the ordained ministers and the lectors, readers, or cantors may be clearly seen and heard by the faithful.<sup>151</sup> As is traditional, it should be located aside from the central longitudinal axis of the church, to the left side of the altar, as viewed by the congregation from the nave.

*“Let the one among you who is guiltless be the first to throw a stone at her.’ Then he bent down and continued writing on the ground. When they heard this they went away one by one, beginning with the eldest, until the last one had gone and Jesus was left alone with the woman before him.” John 8:7-9*

Dear Brothers and Sisters,

Jesus answered the Pharisees so well that they got trapped in their own trap. The genius of Jesus’ response is that it turns tables on the Pharisees. He did not go against the law of Moses, nor did he compromise on the teaching of God on adultery. Jesus told the woman to go and sin no more. This is an invitation which is given to all of us: to not judge others, but to keep God’s Commandments.

Catholics between the ages of 18 and 60 are expected to fast by taking only one full meal and two other light meals, eating nothing between meals (although liquids between meals are allowed).
