**Welcome to St. Joseph Catholic Church!**  
**4122 S. Bonham St.**  
**Amarillo, TX 79110**

When the Sabbath came he began to teach in the synagogue, and many who heard him were astonished. They said, "Where did this man get all this? What kind of wisdom has been given him? What mighty deeds are wrought by his hands!" - Mk 6:2

**14th Sunday in Ordinary Time**

"He was amazed at their lack of faith." The citizens in Jesus' hometown just couldn't bring themselves to believe in him. Even though they "were

astonished" when they beheld his wisdom and learned about his mighty deeds, nonetheless, "they took offense at him." What right did one of their local boys have to run around claiming he was a prophet? Prophets come from other places. Prophets are sent by God. The son of the village carpenter would never fit that bill. So in spite of clear evidence to the contrary, the established modes of thinking and the built-in prejudices of the townspeople led them to conclude that Jesus was not who he said he was. Because of this stubborn hardness of heart, Jesus' "own kin" missed out on the gifts that perfect strangers were receiving: "He was not able to perform any mighty deed there." How often are we like these small-minded villagers? How often do we stay trapped in the regular routine of our daily existence and fail to have the faith to believe that God is right here in our own hearts and our own homes? As Christians, we may know about the wisdom and power of God, but we too often hesitate to acknowledge that this same power can be at work here in our very midst. Just as in Nazareth, our failure to believe can prevent God from working the mighty deeds he would otherwise perform in our lives. If we don't give him the freedom of our faith, if we don't call upon his Spirit to move us and lead us, then we are closing ourselves off from the real miracle right in front of us. Instead, let us open our hearts and our minds to recognize the presence of God, not just in other places, but right here, right now.
