THE GARDENER, THE SOIL, AND THE FIG TREE

Exodus 3:1-8a, 13-15; Luke 13:1-9

The Greek philosopher Epictitus once said: "Nothing great is created suddenly, any more than a bunch of grapes or a fig. If you tell me that you desire a fig, I answer you that there must be time. Let it first blossom, then bear fruit, then ripen".

We, and those we love, are like that fig tree Jesus lovingly cared for in the Gospel. Do you sometimes find yourself impatient in your progress with God, or with circumstances that seem hard or slow to bear fruit? Maybe there are loved ones that frustrate your expectations for them to grow in their faith, or not drift away.

In this parable however, we are reminded that it is Jesus who cultivates the soil and brings the growth. The slow progress for fruit on a tree is already a given, being that God has His own timetable, that is not ours. But, sometimes the growth is even slower, due to the lack of a prayerful relationship, repentance, and a thirst for the spiritual rain - we are also warned not to receive His Grace in vain.

In our first reading, God, wanted the enslaved Hebrews in Egypt to understand who He was: "I AM WHO I AM" - the all sufficient God - who can deliver you (and bring you to a fruitful land)! When God said "I am the God of Abraham, Isaac and Jacob", He was reminding Moses and the Hebrews the close relationship He had with them - this relationship that pulled the patriarchs through, would pull them through!

We too, are to be empowered for deliverance and fruitfulness. With patience and perseverance, let us seek the Holy Spirit to give us and others the gift of repentance and growth on our journey of Lent.

TRADICIONES DE NUESTRA FE

Muchas naciones latinoamericanas son beneficiadas por organizaciones caritativas extranjeras. Pero estas organizaciones no siempre pueden suplir las necesidades de los pueblos latinoamericanos, por eso los obispos de Chile buscaron la manera de motivar a su pueblo para que ayude a sus propios desafortunados. En 1982 los obispos chilenos crearon una nueva practica cuaresmal llamada la Campaña de Fraternidad. Esta Campaña se motiva en las observancias penitenciales de la oración, el ayuno y la caridad.

Esta práctica de la Iglesia chilena se basa en la tradición cristiana de las obras de caridad y la acción social. La Campaña de Fraternidad también se funda en la espiritualidad cristiana de la hermandad. Los que tienen la manera de ayudar han compartido a través de los proyectos de esta obra con jóvenes en riesgo social, madres solteras, ancianos, prisioneros y otros grupos marginados. Esto se hace en un espíritu de mutualidad entre los hijos e hijas del creador.

Esta campaña cuaresmal nos desafía a buscar la manera de ayudar a los pobres no como personas necesitada sino como hermanas y hermanos en Cristo a los cual debemos nuestra cooperación para mejorar sus vidas. Ellos en torno son la presencia de Cristo quien se encuentra en los más pequeños de la sociedad.

REDISCOVER JESUS.....A LENTEN JOURNEY

When we study the relationship between God and ourselves, the world expands, and we feel more fully alive intellectually. When we take a few moments each day in the classroom of silence to come before God in prayer, openly and honestly, we experience life more fully spiritually. In order to rediscover Jesus, we must spend time with him in the classroom of silence.
