## CATHOLIC SCHOOL

WELCOME BACK  
STUDENTS

**CLASS LISTS POSTED AT 12noon!**

The class lists for the **2020-2021 school year** will be available beginning at 12noon on August 27, 2020, by clicking [here](#) or by following the link provided on the homepage of our school website ([www.stjoan.net](http://www.stjoan.net)). The lists are posted on a secure link on the school website. You will need a password to access the lists. This email will not be archived, so save it if you will need to check back as school starts. (The "non-archiving" is to prevent public access to the class list site.)

If you are having difficulties accessing any list, please refresh your browser. Please note that you will need the latest copy of Adobe Reader as the lists are in a PDF format. If your browser settings allow a PDF to appear in your browser window rather than simply be downloaded, just be patient as the list will appear in a few seconds.

The password needed to access the class lists is:

***sjachargers2020***

***The password will NOT be valid before 12noon on Thursday, August 27, 2020!***

While you are able to download and view the lists you will not be able to print them. The lists are grouped by grades. The password is available only through this

email. The families that do not get this Flocknote Parent Note can get their password by calling the school office.

If you are experiencing difficulty please email: [info@stjoan.net](mailto:info@stjoan.net)

## Class Lists

### "Meet the Teacher"

**Today, Thursday, August. 27, 2019 from 5-7 pm**

Meet the teacher

Drop off supplies

All teachers will meet their students outside their entry door area. Please remember social distancing as you meet the teachers!! **Check out the attached school map to locate where to meet your teacher.** The Grade-Level areas are indicated on the chart below the map. Tables will be set up near the door your child will enter school each day. Supplies can be left at that location today.

See you later! Pray that the rain passes us by today!!
