Catholic Relief Services

Catholic Relief Services (CRS) is the international charitable arm of the United States Catholic Bishops which was originally established in 1943 as the "War Relief Services" in response to the needs which arose during World War II. It later changed its name to "Catholic Relief Services" to better reflect its more universal mission as a charity of the Catholic Church in the United States. Its mission statement says in part: "CRS carries out the commitment of the Bishops of the United States to assist the poor and vulnerable overseas. We are motivated by the Gospel of Jesus Christ to cherish, preserve and uphold the sacredness of all human life, foster charity and justice, and embody Catholic social and moral teaching." It is one of the most trusted international relief agencies in the world, providing help and hope to more than 255 million people worldwide.

CRS, with its 8000 workers, is active in more than 122 countries across the globe, promoting human development as they respond to major emergencies such as natural disasters, outbreaks of diseases such as cholera, ebola, and COVID, or the impact from human-created crises like war and other conflicts. CRS promotes health through providing nutritious food and clean water to places impacted by famine and poverty, promoting agricultural improvements for sustainable farming, and provides access to medicine, vaccines, sanitation and public health education that aims to keep people healthy through proper hygiene.

CRS also provides education to children in areas where there is no access to public education, assists women in developing business skills and decision-making strategies, offers programs that encourage and support small enterprise and helps to develop community-led and community-managed internal lending and financial services. They create opportunities for peacebuilding and justice, by fostering social cohesion through non-violent conflict prevention and resolution, working to eradicate human trafficking and gender-based violence, providing protection for vulnerable children and adults, and advocating for the inclusion of people with disabilities. CRS promotes youth development, enhancing young people's leadership skills, entrepreneurial abilities, and provides support to assist them in building dignified and sustainable livelihoods.

As you can imagine, this takes tremendous financial resources to sustain. CRS is a great steward of the funds entrusted to them. A full 94 cents on every dollar goes directly to their live-saving global outreach. While just under half of CRS's income comes from private donations and grants, the other half of its revenue has traditionally been provided by grants through the U.S. government. With government assistance currently frozen, the ability of CRS to provide these life-sustaining services is seriously compromised. There are 733 million mal-nourished people worldwide, a significant number of whom have benefited from CRS programs. Needs are increasing due to wars, natural disasters, failed crops and famine. Many millions of people, particularly women, children and the elderly are left to starve. This makes this year's national collection and CRS Rice Bowl initiatives so much more critical.

Next weekend, the Second Collection is for Catholic Relief Services. Perhaps we can make an extra special gift this year to CRS through this opportunity for giving, or through our use of the Rice Bowls. Last year's collection was \$4,498. Could we make our goal to increase that by an additional 50% or maybe even double it this year? Might we also consider becoming a partner with CRS all year through by becoming a member of their *Footsteps in Faith* monthly giving initiative. *I have been a Footsteps partner myself for over 20 years. I know you will do the very best you can financially and let us all certainly pray for the success of the good work CRS does throughout the world!*

~ Fr. Stephen

Please Consider Caring For Fellow Parishioners Who Are Bereaved

St. Mary's Funeral and Bereavement Ministry is seeking parishioners who would like to be part of the team who care for those who have experienced the loss of a loved one. At this time we are training for help at funerals; both greeting and assisting Father on the altar. If you would enjoy helping with the outreach to our families we are adding helpers for: mailing letters, making cards, and mailing bereavement booklets. In addition, we gather with those bereaved for a Meal and Conversation twice a month on Tuesdays from 5-6:30, and are looking for helpers. If you have talent to administrate we are looking for more leaders in the ministry. Training is provided! If you would like to help please call the parish office at 860-658-7627 and your call will be returned.

New In The Library

Carlos Acutis – The First Millennial Saint

Carlo Acutis, born May 3, 1991, fully embraced the gift of life. Known as a computer whiz, he also liked to play soccer, video games, and the saxophone. He had many friends and enjoyed spending time with them. What set Carlo apart was his constant pursuit of holiness. Carlo's unwavering devotion to the Eucharist inspired him to tell the story of Eucharistic miracles through a website he created just for fun. Carlo died from a sudden and violent illness in 2006 at the age of fifteen. In less than a decade, his story spread across Italy and around the world. After Pope Francis declared him venerable in 2018, his beatification was celebrated in Assisi on October 10, 2020. The next step will be canonization, making him the first millennial saint.

Seek Jesus during this Lenten Season

Our Women's Ministry has hidden small Jesus figures throughout the church. Children are invited to "seek" Jesus and take him home to remind them during Lent that Jesus is always with them

Please note that these Jesus figures are small and are not suitable for young children. Here is a little prayer they can recite: *Jesus, thank you for always being with me. Please teach me how to hear you in my heart, and how to love others like you. I love you Jesus. Amen.*
