

Heavenly Father, we thank you for the innumerable graces You bestow on the Diocese of Helena. With great confidence, we ask You to continue to bless us by raising up an abundance of good and humble men who give their lives as priests of Your Son, Our Lord, Jesus Christ.

In this year of St. Joseph, we ask his intercession to help the men You are calling to the priesthood. Grant that they become like him: prayerful and responsive, humble and bold, gentle and strong, joyful and courageous. May they fervently seek to know Your will and generously say yes to it.

We ask this in the Name of Your Son, Jesus Christ, the High Priest.

St. Helena, Patroness of the Diocese, pray for us.

St. Joseph, Guardian of the Church, pray for us.

Mary, Mother of Priests, pray for us.
