## Tennis

---

The Tennis team has turned into a Tennis Club and outsourced to The Tennis Park. In the past we have partnered with The Tennis Park to offer our tennis program through the AIAL Tennis league. The tennis program will be fully run by them and will not have any connection to the school athletic program. But, they will still be recognized by the St. Matthew Athletic Department as playing tennis.

This will allow your student to get professional instruction and a chance to compete within the team and play other tennis clubs and compete in the AIAL Tennis League.

Athletes will not be held to policies and rules stated in our athletic handbook.

The Tennis Park will completely run the program from fee's, practice days and overall general team rules.

**Meeting will be: January 22nd, 3:30pm @ The Tennis Park**

You can play Baseball & Softball in addition to playing Tennis, but the school Baseball & Softball teams come first. You will not be allowed to miss Baseball or Softball games for Tennis. **The only exception is when there is a Tennis Match and Baseball & Softball are only practicing.**
