Baseball / Softball Try-outs

Try-Outs

The purpose of tryouts is to fairly evaluate all student athletes on their talent, sportsmanship and knowledge of the game. All in attendance (6th, 7th & 8th grade) will be fairly evaluated by using a rating system that will rank each athlete in several categories that pertain to each sport. The date and number of days to tryout will be determined by the published AIAL Calendar, Athletic Director and School Principal. Categories will be determined by each coach and approved by the Athletic Director. Score Sheets are solely a tool to assist the coaching staff with making final selections. Team selection results are considered personal in nature and will only be disclosed to St. Matthew School coaching staff and administration.

Athletes trying out for each sport must attend all posted tryout dates. Failure to attend all tryout dates will disqualify you from making the final roster.
