## In Our Prayers

We encourage you to call with the names of family members who are ill and you wish to have remembered in prayer. They will be mentioned in the Petitions in the Sunday Liturgy for one week and then published in the weekly bulletin. In order to respect everyone's privacy, these names must be given by a family member. Continuing prayer for our loved ones is very important for all involved. Therefore, we ask that you call the parish office and update us on your family member, so that we may maintain a current and meaningful list.

## The Make A Meal Ministry, Serving God's people...

When a family or individual experiences a life event, whether happy or sad, there is comfort in knowing that others care. For over 14 years, members of our community have stepped forward to be that comfort, offering their time and talent to the people of our parish. As a Make A Meal Ministry Volunteer, the desire is to serve God's People by preparing and delivering meals and most importantly, praying for those we service.

If you are interested in volunteering in the Make A Meal Ministry or are in need of the assistance of this ministry, we are just a phone call away. You can reach me in the Parish Office at 847-356-5850 or e-mail me at [religiousstaff@princeofpeacecatholicchurch.org](mailto:religiousstaff@princeofpeacecatholicchurch.org).

Blessings,

*Gina Stanley*

## SPRED Mass a Beautiful Success

Thank you to all you joined us for our SPRED Mass last weekend at the 9:30am Family Mass! SPRED, Special Religious Education, is a program that is specifically designed to meet the spiritual needs of persons with developmental disabilities. It is a world-wide program of religious education that has opened doors in parish communities for persons with special needs for over 50 years. SPRED invites and trains volunteers to be "catechists" (a person who shares their faith) to work in a beautifully prepared environment where they can welcome persons with developmental disabilities. SPRED at Prince of Peace serves those 22 & older. If you are interested in learning more about SPRED, please contact Tina Martz at 847-276-6668. SPRED Catechist, Gloria Lichtenwalter, received the Elijah Cup for this month at the Mass, also.

**Are you an  
Encountered Couple or Priest?  
Have you been on a  
WWME weekend in the past?**

We are starting a local WWME Community right here at Prince of Peace, and are looking for married couples/Priests, who have been previously encountered. If you have made a weekend (*even a long time ago*) and want to share fellowship/support with other encountered couples in our parish community, please let us know.

Community will be a come if you can type of evening, with a short presentation/dialogue, and fellowship. We'd like to get together monthly, beginning in 2020. Our POP WWME community will be real life support for encountered couples in our local area! Its never too late to come back to a WWME community. We'd love to have you join us, please let us know if you are interested

**If you are interested in joining our couple community, please contact Kim or Bob Zurek

### Special Intention for November 18, 2019

*That the Holy Spirit may grant perseverance to those who suffer discrimination, persecution, or death for the name of Christ.*

***Come, help us pray.***

## From the Finance Council:

The Finance Council meets to advise the Parish and help provide guidance for the overall financial stability of Prince of Peace. We are also required to provide the Parish with an annual update.

This weekend you heard Fr. Gerald talk about the need to evaluate what you personally do to give back to God what you have been blessed with. We would also like to ask you to prayerfully consider your Sunday contributions. We offer these reflections: Today's Gospel says,

*"While some people were speaking about how the temple was adorned with costly stones and votive offerings,"*

Sometimes we feel that there is nothing more to do at our beautiful Parish. All the money has been collected, and all the facilities have been constructed, and all the bills are already paid. However Jesus said,

*"All that you see here the days will come when there will not be left a stone upon another stone that will not be thrown down."*

Although this sounds very dire and we do not believe that our beloved Prince of Peace Parish will be "thrown down", it does bring to mind that we must continue the great work that we, and the others before us, have done to continue to keep our Parish a strong and vibrant community.

Jesus also speaks of famine and plagues and earthquakes. Once again, I do not believe that these will happen to us, but the modern versions that affect us are increased building costs, wear and tear on our facilities, and day to day operational costs.

The Gospel continues to speak about the difficulties that lie ahead for Jesus' disciples and we think that we all will have our own issues that we need to deal with and we especially like the end which states,

*"By your perseverance you will secure your lives."*

This to us says that we have all done a great job of building and maintaining this beautiful Parish not just with brick and mortar but also our friendships and ministries that bring so much to us and our community.

Let's continue to build our Parish and remember that there is an old saying that we think rings very true as we look to the future;

*"We do not inherit the Earth from our ancestors. We borrow it from our children."*

With this in mind let us reflect on the ways that we can continue to support our Parish for the future:

- We offer our time to ministry work within the parish and reaching out to the community.
- We offer our talents to lend a hand with a project around the parish or our knowledge and experience in the planning for the future.
- We offer our treasure to sustain the parish that we have grown. That we have been handed from those before us to nurture and watch flourish for those who we will pass this wonderful parish to.

This week's bulletin contains a written report of our financial position along with some sacramental and outreach statistics you may find interesting. We have also included an Electronic Giving form. This method of stewardship allows you the comfort of knowing that you have secured your offering to the parish. The form offers multiple ways to contribute - bank ACH transaction or credit card. You can also choose the timing of your donations. They can be weekly, monthly or personalized to your budget and schedule by calling the parish finance office. The information you provide is secure. The handling of all transactions is completed on site. Your information is not released to a third party for processing. If the need arises for an adjustment to your offering simply let our Business Manager know and the change will be made.

Thank you for your time. It is our pleasure and honor to represent all of you on our Finance Council. May God bless you for your continued support and dedication to the great works of Prince of Peace.

## ELECTRONIC GIVING FORM

Our Electronic Giving program assures a continuation of your support even when you are not here. We encourage all of our parishioners to seriously consider utilizing this program. Most of us find that we attend Mass at parishes other than Prince of Peace during the year, related to vacations, family events, etc. We have received positive comments from parishioners who already utilize this program such as, "this makes it so much easier" and "I have peace of mind knowing that when I am out of town my obligations have been met."

Direct debits and credit cards can be processed dependent on your preference. Please see below for options. If you require a different schedule please call Barb Ruhl, in the parish office.

I (we) hereby authorize Prince of Peace Church, to initiate debits to my (our) account as indicated below. Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their actions and words, others do take notice. They notice because of the joy and peace that results and other people desire this in their own life. Know that the way you live your life may be the only interaction others have with our Catholic faith.

Studies show that arguing/fighting is helpful for the growth of a couple when both persons feel understood. Keep a listening ear open when disagreements arise, and be gentle.

## My One Regret

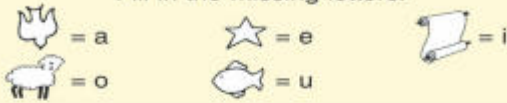

"My abortion is definitely the one thing I regret. There will always be remorse and sadness. The feeling of the loss of a child will always be there. I wish I could have known then what abortion was all about and its devastating effects on the woman. So many women feel that if they had more support and truth during their crisis pregnancy many lives would have been saved." - - from the testimonies of those who have had abortions - see [www.AbortionTestimonies.com](http://www.AbortionTestimonies.com)
