The Mystery and Meaning of Suffering

(World Day of Sick)

with Monsignor Peter Bui

Presentation will also be live streamed on Facebook.com

No one is exempt from suffering, not even Our Lord Jesus Christ.

Because suffering is so common yet so difficult to understand and talk about, it's easy to rely on platitudes such as "It's all part of God's plan" to explain away its existence. However, even the best rational explanations of why suffering exists fall short. Suffering is a mystery and there will never be an adequate explanation to the problem of suffering as we journey through this earthly life.

Man will always question about the meaning and existence of human suffering, such as: If God is all-powerful and all-good and loving, why do bad things happen, especially to the innocents? If God does not directly will suffering, why does He permit it? Why is it that some go through life strong and healthy while others suffer crippling disease? Instead of a futile attempt to answer the questions of *why* of human suffering, our spiritual talk will deal with the more important question of *where* and *how*: "Where do I find God in suffering? How can I make the most of suffering with hope and love and not squander the opportunities?"

We will explore especially Scripture as the Word of God and Church teaching to help us enter a little bit into God's perspective on human suffering and how suffering has a crucial role in our redemption and our strive for holiness.

FEAST OF FAITH

The Gloria (1)

The Gloria, or Glory to God, follows the penitential rite. Both are acts of praise. In the penitential rite, we sing of the mercy of Christ. In the Gloria we praise God's saving action in the universe.

The Gloria is a relatively late addition to the Mass. It first appeared in the Roman liturgy in the sixth century, and then it was sung only by the pope—and only on Christmas! With time, the hymn came to be sung by bishops on major feasts, and then by priests; finally, it became the song of the entire assembly. With the advent of more elaborate musical settings, the people gradually stopped singing the Gloria, until this song of the people became the exclusive domain of the priest and the choir. But the liturgical reforms have restored it to its place as primarily the song of the assembly.

The language of the Gloria echoes the New Testament canticles. It may be begun by the priest, the cantor, and the entire assembly in varied combinations. The Gloria is sometimes called the “greater doxology,” and in some ways it is like an extended, ecstatic version of the familiar doxology (“Glory be to the Father”) prayed in the Divine Office and the rosary. - Corinna Laughlin, Copyright © J. S. Paluch Co.

BEGINNING AGAIN

If I were to begin life again, I would want it as it was. I would only open my eyes a little more.
