**Prayer for the Protection of Religious Liberty**

**O God our Creator**, from your provident hand we have received our right to life, liberty, and the pursuit of happiness. You have called us as your people and given us the right and the duty to worship you, the only true God, and your Son, Jesus Christ. Through the power and working of your Holy Spirit, you call us to live out our faith in the midst of the world, bringing the light and the saving truth of the Gospel to every corner of society. We ask you to bless us in our vigilance for the gift of religious liberty. Give us the strength of mind and heart to readily defend our freedoms when they are threatened; give us courage in making our voices heard on behalf of the rights of your Church and the freedom of conscience of all people of faith. Grant, we pray, O heavenly Father, a clear and united voice to all your sons and daughters gathered in your Church in this decisive hour in the history of our nation, so that, with every trial withstood and every danger overcome— for the sake of our children, our grandchildren, and all who come after us— this great land will always be "one nation, under God, indivisible, with liberty and justice for all."We ask this through Christ our Lord. Amen.

**Indulgences:** The doctrine and practice of indulgences in the Church are closely linked to the effects of the sacrament of Penance. In this sacrament, the sinner, placing himself before the merciful judgment of God, anticipates in a certain way the judgment which he will be subjected at the end of his earthly life. For it is now, in this life, that we are offered the choice between life and death, and it is only by the road of conversion. A single participation in the sacrament of penance can apply to any reception of a plenary indulgence 20 days before or after going to confession. However, reception of Communion and praying for the intentions of the pope and the pope himself are required for each plenary indulgence.

**What do we discern to be the areas God is calling our parish to actively work towards?** The five actions discerned for the parish to work towards for next 3-7 years are:

1. Actively support and develop the faith of our youth. Increase their involvement and participation in our Parish family.
2. Assist all parishioners to grow in responding to God’s call to take up a particular ministry within our Parish family.
3. Increase our Adult faith formation ushering them into continual conversion and catechetical opportunities of forming their faith and deepening their relationship with God.
4. Provide opportunities to strengthen our relationship with one another through ministry, committee involvement and parish socials. To be a prayer warrior Church “for vocations” – constantly praying for the intentions of vocation.

**The meaning of your Catholic Christian Lifestyle is found in: the spiritual and corporal works of mercy and in involving yourself in the identity of this parish putting on the five actions discerned from God to our Church!**
