Where did the term Trinity originate? In Scripture, it is revealed that God is One and God is Three, in that the Father is God, the Son is God, and the Holy Spirit is God. This faith was held by the Church from her beginning. With time a theological language was developed, largely to exclude various errors about the nature of God (e.g. three gods, or three modes or aspects of God). After the end of Roman persecution in 313 A.D., the theological work of defeating errors regarding God and Christ would occupy the Church through her great Councils of the 4th and 5th centuries.
