28th Sunday in Ordinary Time. Today we hear about how Jesus, continuing on his journey to Jerusalem, heals 10 lepers. This story is a lesson about faith and reminds us that faith is sometimes found in unlikely places. Ten people afflicted with leprosy cry out to Jesus. Struck with pity, Jesus heals all 10. However, only one is described as glorifying God and returning to thank Jesus. The one who returns is a Samaritan, a foreigner. In the Jewish circles in which Jesus lived, Samaritans were looked down upon because of the differences between the two communities in their observance of Judaism. It is significant, therefore, that Jesus commends the Samaritan for his faith, which has been his salvation. Throughout Luke's Gospel, faith is found in surprising places.
