**SERVERS NEEDED:** St. Charles currently has 16 servers but eight will graduate school in the next three years. If your child (boy or girl) is entering 3rd grade or older next year and has made their First Communion, they are eligible to serve Mass at St. Charles. If your child is older than 3rd grade and would like to learn at this point, we would love to have them join our group. Please encourage your sons and daughters to participate in the Mass and to attend a server training class on Sunday, June 14th after 8:30am Mass. Steve Knecht and several high school servers will conduct the hour-long training. Our servers do a great job and the newest servers will only serve Mass with the older, experienced servers to help guide them. **Memorial Day honors U.S. military members** who died in service. In the United States, it is a federal public holiday observed on the last Monday in May. That “last Monday” rule is the whole reason the May calendar date moves: the month can end on different weekdays, so the last Monday can be May 25 in one year and May 30 in another. If you are searching “Memorial Day 2026,” you are almost always looking for the exact Monday, not a fixed date you memorized in childhood when it happened to fall on the 30th one year.
