Consolidation of Schools	Issue Date: 8/1/2002	Amended Date: 1/1/2005 9/13/2016
<p>From reports of the Superintendent of Schools, the Diocesan School Advisory Council determines whether or not there is need for a move towards consolidation of two (2) or more schools. If this need appears to exist, the Diocesan School Advisory Council obtains the Bishop's permission for a study to take place. After concluding the study, the Diocesan School Advisory Council makes a recommendation to the Bishop who makes the final decision. This process is to be done in a timely manner and to include personnel from the school communities.</p>
