- 1 Black Sharpie
- Crayons
- Color Pencils/Markers

Dear Parents,

This year has been a wonderful one. Our fifth grade class was able to spend time with both old and new friends, learn many new things, and grow in our faith. Our class worked hard and made every day an interesting one. Ms. W and I will miss having them in our classrooms every day.

Even though the summer is beginning, we do not want our students to stop learning. It is important to keep the children engaged throughout the summer and continue developing their reading and math skills. Our students will be given a book entitled, Kids Learn! Getting Ready for Sixth Grade and a *Holes* Reading Assignment.

When summer is over, and we come back in September, our future sixth graders should bring their completed book with them. In addition, the 2023-2024 school supply list can be found on the TCPA website in the "backpack" section.

Thank you for allowing me the honor of working with your children throughout the year. It was a pleasure to have them. Have a safe and wonderful summer.

Sincerely,

Ms. Bevins and Ms. Warga-Arias

Holes Summer Assignment

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be a standard notebook page, possibly from a composition book. The edges of the paper are slightly irregular, suggesting it might be a scan of a physical document. There is no handwriting or other markings on the page.
