As part of Pennsylvania 2017-18 state budget, lawmakers approved a $10 million increase for the expansion of the Educational Improvement Tax Credit (EITC) program. That is great news; however, Governor Wolf has yet to sign the bill into law. In fact, he has threatened veto the legislation that would provide for the increase. The Pennsylvania Catholic Conference has sent a letter to the Governor urging him to sign the education funding bill into law, noting that this bill would allow for more scholarships for students to attend the school that is best for them. Your hard work in supporting this effort has helped this important legislation reach the governor’s desk. You too can send a letter to Governor Wolf urging him to sign the education funding bill into law today! Please use the following link to send your message:
