Don’t Get Scammed! Scammers are now posing as priests and other clergy. In this latest scam, you might receive an email or a text message that appears to be from your Pastor or another priest that you may know. It is important not to click on any link provided. Any e-mails from Fr. Howard will be sent from: frhoward@hbgdiocese.org.

Here’s how to protect yourself from being scammed: 1 – Know that scammers are out there. Be suspicious of any request for funds of any type via an email message or a text message. Verify any request with a call to the person who supposedly sent it or a call to the phone number of the text that you received.

2 – Know that any email from a priest should be from a diocesan or parish email account. Messages sent from free services, such as Gmail or Yahoo, are more likely to be scammers. 3 – Many clergy do not share their cell phone numbers publicly. If you receive a text message from someone not on your phone’s contact list, be suspicious.

4 – Know that priests will NEVER ask for financial transactions via email or text messages.
