Church Interiors Update

Back in 2015, an investigation of historic interior finishes was done in the church and a report was provided. As we prepare for the interior restoration of the church, a more thorough paint investigation will be conducted this week. The first investigation took small samples. This investigation will be taking much larger samples from the walls.

On Monday June 6 at 7:00 pm, there will be a meeting in the church regarding the interior restoration project. Experts will be present to answer questions and to plan to future of the project. You are invited!

There will be a Memorial Day Mass at 9:00am in the cemetery at the Mission Cross-weather permitting. All are welcome.
