The kitchen buildings were enlarged. Water was brought up from a spring at the bottom of the hill and hot and cold water was installed throughout the house. The water was supplied from a large tank in the kitchen attic. The water was first forced up by hydraulic pressure, then by a system of waterworks, and later by a patent windmill, which also grounded the mill feed and sawed the wood. During his second residence here from 1871-1884, Father planted a large vineyard which produced sizable quantities of wine. Father Enders hardly knew an idle moment. We praise God for our ancestors in the faith—like Father Enders—who worked so diligently to build up the community we enjoy today.

An Angel Tree of Love 2022

It is time again to think of others—those less fortunate than us. This is the 31st year for our Angel Tree. The angels are on the podium in the back of the church. The angels are available at the start of each Mass. The angels will have a specific request written on them. When you select an angel, please sign it out on the clipboard located on the podium. Please return the Angel tag when you return the gift. We ask that these gifts be wrapped and returned by Sunday December 11th, immediately after the 10:00am Mass. These gifts will be delivered to our homebound parishioners who are regularly visited by our Homebound Visitors, as well as to other members of our community who are in need.

We will not be placing ornaments out this year, however at the back of the church there are flyers with a wish list of items needed at New Hope Ministries to help provide a Merry Christmas for the needy in our local area. This list is a list of suggestions; New Hope will be thankful for any gift. These gifts should be brought to the church and placed in the chapel by 11:30am this weekend, Sunday December 4th. These gifts should be unwrapped. All these gifts will be delivered to New Hope Ministries to be selected by the various families.

*Donations of gift wrap, gift bags, bows, and gift cards are also gratefully accepted.*

Those who are not able to donate a material gift can fully participate by offering prayers for all members of our parish family and community. If there are any questions regarding the Angel Tree, contact Melanie Stonesifer at 717-632-8761.

Please pick up a copy of New Hope Ministries’ Christmas Wish List at the back of the church.

Thank you so much for your ongoing support!
