May 19, 2023

Dear POP Parents,

Our Second graders celebrated their First Eucharist on Saturday. It was a beautiful Mass with our school children and Religious Education students present. Then, on Monday, our 3rd and 8th graders led our May Crowning Mass with Bishop Grob presiding. They all did a wonderful job!

Our Girls' Track Team performed very well at the State competition this past weekend! They took 2nd in the 4x200 relay, Rachel Stanton took 10th in the shot put, Scarlett Carroll also took 10th in the shot put, Adelyn Albanese took 10th in the 200m and Mallory took 12th in the high jump. Way to go!

On International Day, the 6th graders taught us all about different customs, animals and holidays from around the world. They also treated us to delicacies common in the countries they researched.

The 7th and 8th graders did an amazing job at the Science Fair this week. The 7th graders presented their findings on experiments they conducted and the 8th graders demonstrated the products they developed using scientific research methods. Here are the winners for each category:

Science Fair

3rd Place: Nicky Smyth, for his research in how different shapes scatter light

2nd Place: Brailyn Albanese, for her research on the rate at which different types of wood burn

1st Place: Colton Deehr, for his research on how temperature affects bounce on sports balls

Invention Convention:

3rd Place: Hannah Salbilla and Cate Vaccaro, for their adjustable water bottle holder

2nd Place: Logan Hughes, for his clip-on ornament

1st Place: Daniel Waldschmidt, for his non-slip finger ring for Nintendo Switch

Have a wonderful weekend,

Mrs. Whitmore
