Dear POP Parents,

Our 8th grade students celebrated their graduation last night at their graduation Mass. There were many achievements that were recognized and memories shared by representatives of the class. We are proud of all that they have accomplished throughout the year and we wish them each the best as they venture forth to their new high schools and beyond. Congratulations to the Class of 2023!

Our preschoolers also celebrated their Bridging Ceremony today. The 4-year olds are getting ready to move on to Kindergarten next year. They have grown and laid the foundations for many years of learning yet to come. We are excited to see them continue to blossom and thrive as they continue their schooling adventures.

Have a wonderful weekend before our last week of the school year!

Sincerely,

Mrs. Whitmore
