Dear POP Parents,

We are close to finishing our i-Ready benchmark testing in grades K-8. A big thank you to the Lozano family for bringing in snacks for the students to have to enjoy! We will be able to finish up the rest of the testing this coming week and teachers will share the results with parents during our conferences in early October.

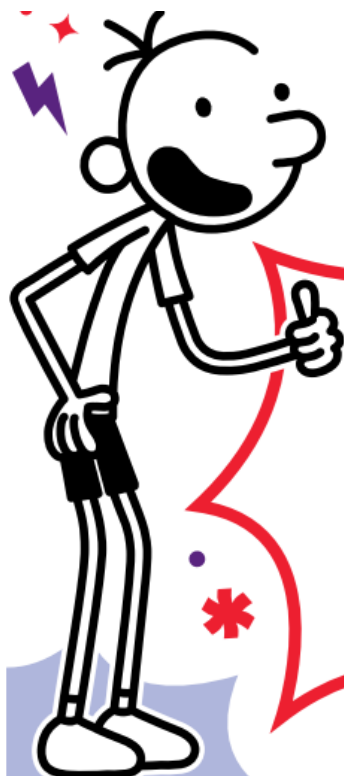

This Thursday, September 14, is our annual Back to School Night. It will start in the gym at 6:30 where we will share information about the school year in general and hear presentations about how to volunteer and get involved. You will then have the chance to visit your child(ren)'s teachers and hear more detailed information from the teachers about curriculum and classroom procedures. This is a parent informational event (no students); if you wish to talk about your child's progress with their teacher, please reach out to them via email to set up an appointment. We hope to see you there!

Our Athletic Director, Chris Meincke, is looking to add new members to the Athletic Board. If you are interested in volunteering on this committee, please email her directly at athleticdirector@princeofpeaceilv.org. It's a great way to get involved and help support the school!

Many blessings,
Mrs. Whitmore
