Dear POP Parents,

Our Volley for the Cure Tournament was a great success! Our awesome volleyball players did a great job representing Prince of Peace and helping to raise money for a terrific cause. A huge thank you to Jenna Atwater for coordinating the event! We are also grateful to Chris Meincke and our amazing coaches for all they have done for the students this season!

Our next Pizza/Spirit Day is coming up on Wednesday. Students can come dressed in Prince of Peace Spirit Wear on that day. Today is the last day to order pizza for your child for that day.

Our 7th grade girls' volleyball team, made up of 6th and 7th grade players, won their Council Tournament this past week. We are so proud of their efforts and sportsmanship. They went undefeated the entire season and their teamwork is evident both on and off the court. We are so proud of them!

Have a great weekend!

Mrs. Whitmore

## ANNOUNCING: RAINBOWS FOR ALL CHILDREN'S NEW SUPPORT GROUP

Open to K-8 Students  
Time and Days will be determined once registrations  
come in  
Sessions will begin the Week of October 16<sup>th</sup>

At Prince of Peace School

### What a Rainbows support group can do for your child/ren:

- Improve their school attendance, behavior and academic performance
- Help develop and strengthen their problem-solving, coping and communication skills
- Teach stress and anger management
- Alleviate their depression and anxiety, emotional pain, and suffering
- Reduce the likelihood of destructive behavior

Unlike traditional individual therapy,  
children are able to grieve, communicate, and heal among their peers.  
They no longer feel alone in their grief and gain confidence from group support.

### About Rainbows

Rainbows for All Children is an international, nonprofit organization that trains volunteers at community-based sites to lead structured, age-specific support groups for children 3-18 years old who are grieving the loss of a family member as a result of death, separation/divorce, incarceration, deployment, deportation, significant illness, or any other traumatic, life-altering event.

For more information or to register,  
contact Deacon Jim at (847) 356-7915 or [jminor@princeofpeace.org](mailto:jminor@princeofpeace.org)

*"As a parent of four children who attended Rainbows, I can speak with experience that the group helped explain to my children what divorce is, allowed an environment for them to bond with others in similar situations, and taught them empathy and understanding in a way I couldn't. Parents can have a difficult time providing help for their children due to their own grief. This is a way to give them the help they need."*

– Miguel, Father of Rainbows Participants

*"When I first started Rainbows, I was a young, scared little girl. I felt all alone in the world. I lacked any self-confidence and I felt all my life's obstacles were because of something I had done wrong. Rainbows helped give me courage and strength."*
