27th Sunday in Ordinary Time Readings

First Reading: Genesis 2:18-24

God created many different animals in an attempt to make a suitable partner for the first man. Then he took a rib from the man as he slept and built it up into a woman. At last God had created someone who equaled the man, as she was “bone of my bones and flesh of my flesh” and they proved to be suitable partners for each other.

Second Reading: Hebrews 2:9-11

This passage describes how Jesus will become perfect through his suffering. It also reminds us that Jesus' Father is our Father as well, making him unashamed to call us his brothers and sisters.

Gospel: Mark 10:2-16

The people began to ask Jesus if it was acceptable for a man to divorce his wife. Jesus tells them that two people who have been joined together by God should not be separated. People began bringing their children to Jesus, but the disciples tried to send them away. Jesus grew angry and told his disciples to allow the children to come to him.
