Students May Wear Their Sunday Best!

Dismissal For The Year At The End Of Our Ceremony!

Reminders/Notes...

The children watched the May Crowning Service in the prayer garden. They were very "saintlike" during the service and made me proud.

It was great to see the students having a wonderful time at LEGOLAND. I enjoyed watching them learn how different gears push each other. They all had fun exploring the LEGO play zones and ride. It truly was a special day with the kids.

The students had a great time at Field Day. They got to enjoy the games, the bounce houses, the ponies, and, yes, the water ice. A fun time for all!

Please continue to check our school website for the most up to date information.

Dear Parents,

Thank you for sharing your pride and joy with me this past school year. I have appreciated working with your child, as I watched them learn and grow. I have enjoyed all the laughs, hugs, kind words, and smiles your child has shared with me. It was an honor having them in my class.

I also want to thank you for supporting all my efforts. Please continue to have your child say and write the letters of the alphabet and numbers, as well as their first and last name over the summer.

Wishing you and your child a Happy Summer!

Fondly,
Christine Snow
