Parish Mission Statement

We, the parish community of St George, celebrate the welcoming presence of Christ in our lives. Together with the universal Church, we are nourished and sustained through the Mystery of the Holy Eucharist, and we are inspired by the proclamation of the Word, guided by the Holy Spirit.

We continually seek to grow in a deeper understanding of our faith, to respect the sanctity of human life, and respond to what Jesus asks of us in our time by sharing our gifts and participating in parish activities and outreach to others.

January 8, 2023 - The Epiphany of the Lord

From Your Pastor

Today we celebrate the Epiphany of the Lord and pray that we may have the open-heartedness of the Magi. Their open-mindedness allowed them to see a star which led them to something far more wonderful and awe-inspiring than they could have ever imagined. They traveled from their own country to a foreign land to accept a simple gift that is revealed to them – a humble, simple child who does not appear to be a king but someone who below the surface is seen for who he truly is. Upon this recognition, the Magi pay him homage without hesitation and present him with their gifts. As Church we, like the Magi, witness together to the presence of Christ in the world. Let us pray for the grace to always have the open-mindedness of the Magi. May we remember that everything is a gift from God. Some gifts are more easily accepted while others are more difficult. With the help of the Holy Spirit, may we greet the obvious gifts and those that are more challenging to understand as truly gifts from God. May we see the example of the Magi as one to always keep in mind.

Year 2023 Calendars are available for anyone who wants one.

Fr. Niccolls

**Statement from Bishop McManus
on the death of
Pope Emeritus Benedict XVI**

"The universal Church is profoundly saddened at the death of Pope Emeritus Benedict XVI, whose pontificate was an extraordinary gift to the Church and to the world. Ever the brilliant theologian and teacher, the late Pope Emeritus guided the Church through the rough seas of doubt, confusion and challenging ideologies, always presenting the tenets of our Catholic faith with wisdom and genuine pastoral concern. It is the same Catholic faith in the resurrection of Christ from the dead that gave our deceased Pope Emeritus and that gives us as well our only hope of future glory in heaven. I encourage all Catholics and all people of good will to pray for Pope Emeritus Benedict XVI in the coming days that he may be welcomed home to the new and eternal Jerusalem by the Risen Lord whom he loved and served so well. May his soul and the souls of all the faithful departed through the mercy of God rest in peace. Amen."

Stewardship Thought of the Week

Today we remember the three wise men from the East who came to pay homage to the infant Jesus, bringing Him rich gifts of gold, frankincense, and myrrh.

The gifts we bring - our time, service, and some share of what we earn for the work we do - are equally precious in His sight.

Deacon Paul Audette

James Martin Speaks to us through his
"Essential Writings"

The theme of humor in the spiritual/religious life has been
a frequent topic of Martin's lectures and media appear-
ances. In these excerpts from an April 2, 2007 America
Magazine essay (Part XI), he treats both the long history
of laughter's role in religious practice as well as the rea-
sons why it can be such a healthy element of the spiritual
life: "Humor welcomes. Hospitality is an important virtue in
both the Old and New Testaments. Humor is a subtle way
of showing hospitality. Perhaps the easiest way to make
someone comfortable is to prompt laughter. Only when
people feel at home can they laugh...Humor heals. Physi-
cians, psychologists and psychiatrists believe that humor
helps the healing process in the physical body. If we take
seriously the Pauline image of the body of Christ, we
might ask if the same holds true for the Christian commu-
nity. In the midst of some of the worst times in the church,
the people of God could use some laughter. This is not to
say that one laughs over the considerable pain in the
church. Rather, humor gives us a much-needed break and
can help heal."

Eucharistic Adoration

The Thursday evening and Friday morning
Eucharistic Exposition & Adoration will be:

Thursday, February 2nd, 2023 6:00-7:00 PM
Friday, February 3rd, 2023 after 8:00 Mass-10:00 AM

We hope you can come join us in prayer and to spend
time in the presence of Jesus Christ.

Dear Parishioners and Friends,
Life Story reflection continued from last week's bulletin

These past decades living in Worcester have flown by. We knew no one when we first arrived here because of my husband's new job. St. George Parish welcomed our young family, and our two young children liked the donuts on Sunday morning so we have been here ever since.

Twenty years ago, Fr. Henry Donoghue invited me to join the parish staff to update the parish census. Since then my job description and responsibilities have changed many times. Each change offered new challenges, new lessons to learn, and new ways to serve.

Now in my elder years, I look back with immense gratitude. I am guessing that if you are still taking the time to read this reflection you might have been a part of this journey with me. As a community we have shared Baptisms, First Communions, family weddings and anniversaries, church fairs and picnics, new Pastors and Associates, new Ministries as well as new ways of praying, worshiping and serving together. We have shared moments of sadness and times of great happiness.

Lately, some of us are sharing the joyful arrival of grandchildren. We are also prayerfully supporting one another through illness and grieving the loss of loved ones together.

Through it all, you the People of God, have been the Church to me. You have blessed me, over and over again, with your generosity and kindness.

Years ago, a dear friend asked me what was my "Heart's Desire". I wasn't sure back then. Now it is clear to me that God has given me my "Heart's Desire" by guiding and allowing me to live and serve in loving communities in many parts of the world, especially here with you.

Peace and Joy to you all, Annie Doyle

Can you please continue to help feed the hungry?

Special needs for January are:

Jelly and Cooking Oil (if possible - small plastic bottles are safest and easiest to carry).

Thank you to everyone who continues to bring food donations to keep our 3 food pantries going! Items can be left in the Outreach Collection Area inside the parking lot door at the basement level of the church hall.

Emmaus Ministry

This Sunday, January 8th, the Church celebrates the Epiphany of the Lord. This Feast commemorates the visit of the 3 Wise Men to the newborn Christ Child. The Magi paid homage and gave the gifts of gold, frankincense and myrrh for the Child Jesus. For many people, it is customary to give gifts in the Feast of Epiphany.

The Emmaus Ministry, through the generosity of a couple in the Parish who wish to remain anonymous, will be giving you the gift of a copy of Matthew Kelley's book, Holy Moments. We trust that this book will provide inspiration and draw you to moments of reflection and prayer. We have been given the greatest gift of all through the Birth of Jesus. Ever mindful of this great gift, may we be a gift to others!

Wishing you abundant blessings in this New Year!

Spiritual Growth Ministry Corner

Ministry Leader: Bonnie Moran
Saintgeorgespiritualgrowth@gmail.com

On December 28 we celebrated the Feast of the Holy Innocents, the babies slaughtered by King Herod in an effort to make sure that Jesus, the newborn king, wouldn't pose a challenge to his power. The Holy Innocents provide us with a way to approach this new year of 2023 as we strive to be good and faithful Christians. We sometimes think that we know the best way to love and serve God. But inevitably there are obstacles that get in the way – this person and his faults, this challenge, this cross. How am I supposed to become a great saint if God keeps sending me all these trials?

The Holy Innocents were not preoccupied with what they felt was due them, or all the ways they would have preferred to serve God and become saints. They could not say, "Lord, this is not really the kind of saint I expected to be, not quite the form of holiness I had in mind. I had more in mind a sanctity that would be entirely free of opposition and misunderstanding, that would allow me to bask in the sweet feeling of holiness without being radically stripped of everything but you."

We are all long past the innocence enjoyed by the Holy Innocents. But each feast and each saint provide the graces for us to share in their sanctity. So as we venture out into 2023, we can rely on the Holy Innocents to help us, whatever our vocation, to submit bravely, confidently, and peacefully to God's redemptive plan for our life – and to embrace the actual form of the cross he will send for us for our salvation and his glory.
