Seminar Goals

- ▶ To help all of us deepen our relationship with God and enliven our relationship with His Church.
- ▶ To help us understand all that God desires for us.
- ▶ To open ourselves to His love and power in our lives through the Holy Spirit.
- ▶ We hope to allow the truth that we know in our minds to touch our hearts, allowing it to transform our lives.

For the Love of a Streetsweeper”, by Daniel Juniper

- ▶ Jesus invites us to be the Guest of Honor at His Wedding Feast – He invites us to live in the Kingdom of God.
- ▶ The Kingdom of God is being in relationship with God which enables us to live our lives in the fullness which he intends.
- ▶ Adam and Eve enjoyed a personal relationship with God. The sin of disobedience disrupted that relationship.
- ▶ Scripture relates how people throughout time sought to restore their relationship with God.

God restores our relationship through His Son, Jesus Christ.

In Jesus we can be fully reconciled to God.

- ▶ God offers us the opportunity to live our lives in the way in which they were intended---free from the power and compulsion of sin, in union with God and in good relationship with each other
- ▶ God is always extending His invitation to each of us for a deeper personal relationship with Him.
- ▶ This commitment to God is not a one-time event, but a continual attitude that needs regular evaluation and recommitment.
