Striving to know, love, and serve God in all others.

What does it mean to be remembered? It used to be the desire of the heart that one be remembered. However, today we live in a time of forgetfulness. We long to be forgotten in some sense. Some countries have even enacted laws that internet posts must expire after a certain amount of time. Some of these laws have appeared under the name, "the right to be forgotten."

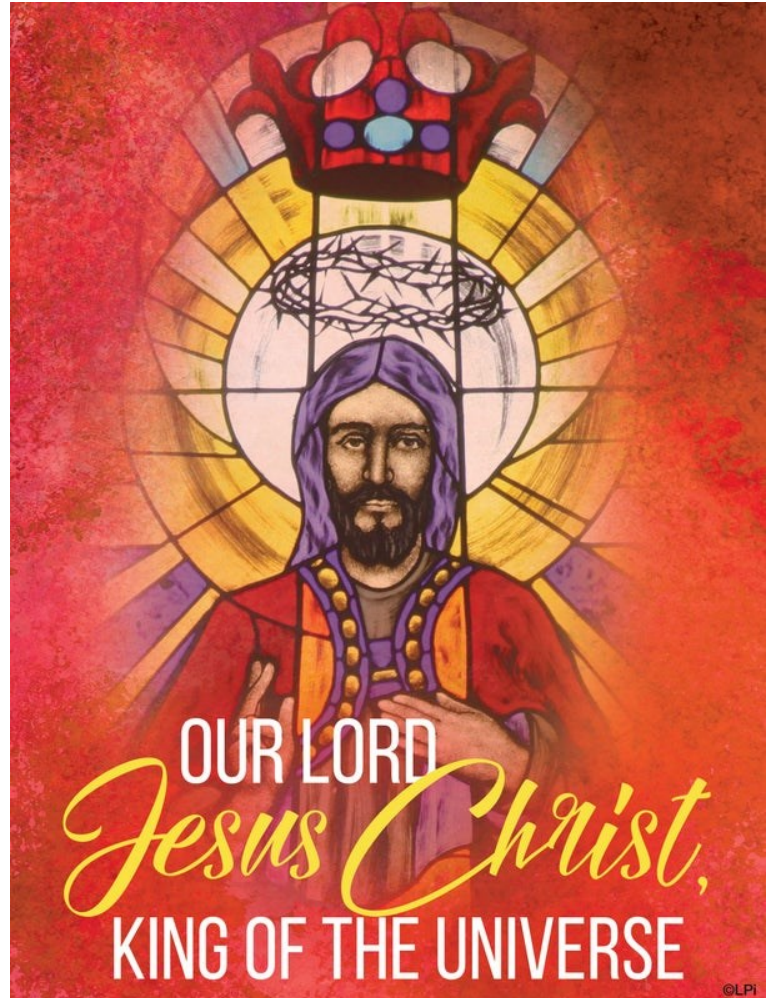

How strange!? I understand the practicality of the latter argument, but being remembered, especially being remembered by God, ought to be something that we really long for. In general, we remember things that are meaningful and what is meaningful to us, we remember. Therefore, what the thief asks for is that Jesus recognize him as meaningful and important. Jesus assures him that he is; this man has become related to God by his faith, sincerity and request.

Jesus also has authority in paradise to bring this man with him. So, we pray that our lives have meaning, and that meaning is gained by becoming related to God. God shows us who we are, and when we are far from God, we become incomprehensible to ourselves. This man found Christ, found himself, and was therefore able to enter into his true home.

The King of Heaven is our brother – everything we have is his and we have everything because we are heirs with him. May our hearts be grateful and may we rejoice always that our Lord is so generous. Amen.

Pastor's Note:

We are creeping up toward our CMA goal! Thank you very much. May we, by the grace of God, be successful in meeting this goal! I cannot thank you enough for your generous consideration.

NOW, MORE THAN EVER, as parents, guardians, and caregivers, we need to be invested in our children's formative years. As parishioners, we ought to view our parochial school as a mission, an extension of our Catholic faith. It is an avenue by which we share the Gospel with all our brothers and sisters, no matter their faith or disbelief. We must call upon the Holy Spirit to utilize to discern how our time, talents, or treasures can support St. Mary's School so that it can remain a beacon of hope as each graduate leaves with a strong sense of their Catholic identity and a deeply rooted education.

RCIA: A Journey in Faith

RCIA is a process for those who are interested in becoming Catholic; those who have been baptized Catholic but have not yet been Confirmed or may not have received Eucharist; those who have been away from the church for awhile and are interested in renewing their faith, understanding, and attaining a sense of community; and even for those "cradle Catholics" that just want to learn more about their faith.

Wherever you are on your faith journey, we welcome you and your questions. For more information or to join the group, please contact Teresa at Teresa.Dunn@dor.org.

NATIONAL Eucharistic Revival

THE MYSTERY OF THE EUCHARIST IN THE LIFE OF THE CHURCH

United States Conference of Catholic Bishops, ©2021

Note: This document was developed by the Committee on Doctrine of the USCCB and published in 2021. We began to include sections of document (in order from the introduction forward) in our bulletin starting on August 14th. The remainder of the text will be included in this and upcoming bulletins until the complete document has been provided.

II. OUR RESPONSE

A) Thanksgiving and Worship (continued)

33. Our gratitude is also expressed in our worship of the Blessed Sacrament outside of Mass. These forms of worship are all intrinsically related to the Eucharistic celebration.

In the Eucharist, the Son of God comes to meet us and desires to become one with us; eucharistic adoration is simply the natural consequence of the eucharistic celebration. Receiving the Eucharist means adoring him whom we receive. Only in this way do we become one with him, and are given, as it were, a foretaste of the beauty of the heavenly liturgy.⁴⁸

We rejoice in the growing numbers of the faithful who pray in adoration before the Blessed Sacrament, a testament of faith in the Real Presence of the Lord in the Eucharist. We encourage this devotion, which helps all of us to be formed by the self-giving love we behold in the Lord's gift of himself in the Eucharist. St. (Mother) Teresa of Calcutta reportedly once said: "When you look at the crucifix, you understand how much Jesus loved you then. When you look at the Sacred Host, you understand how much Jesus loves you now."

B) Transformation in Christ

34. The person who shares worthily in the Eucharist is enabled more and more to live the new law of love given by Christ precisely because Christ communicates himself in the sacrament of the altar. The foundation of our personal and moral transformation is the communion with himself that Christ establishes in Baptism and deepens in the Eucharist. In the celebration of the Mass, we are shown what love truly is, and we receive grace that enables us to imitate the love that Christ shows us. St. John Paul II noted that the moral life of the Christian flows from and is nourished by "that inexhaustible source of holiness and glorification of God" that is found in the sacraments, especially the Eucharist: "by sharing in the sacrifice of the Cross, the Christian partakes of Christ's self-giving love and is equipped and committed to live this same charity in all his thoughts and deeds."⁴⁹

35. The personal and moral transformation that is sustained by the Eucharist reaches out to every sphere of human life. The love of Christ can permeate all of our relationships: with our families, our friends, and our neighbors. It can also reshape the life of our society as a whole. Our relationship with Christ is not restricted to the private sphere; it is not for ourselves alone. The very solidarity or communion in Christ's self-giving love that makes the Church and makes us members of the Church orders us beyond the visible community of faith to all human beings, whom we are to love with that very same love that forms our communion with the Lord. Otherwise, if we do not love all human beings in this way, our communion with the Lord is impaired or even contradicted. This love extends particularly and "preferentially" to the poor and the most vulnerable. We all need to be consistent in bringing the love of Christ not only to our personal lives, but also to every dimension of our public lives.

Don't throw this bulletin away! Once you've read the bulletin, consider giving it to a friend or acquaintance, along with an invitation to attend Mass at either St. Bridget's Church or St. Mary's Church (or perhaps both!).

Being a good steward and sharing the Good News can take many forms!

Happy Thanksgiving from St. Benedict Parish's Staff!
We're thankful for all of our parishioners, visitors, and benefactors.
Thank you for being a part of our faith journey this year! We hope your holiday is filled with love, laughter, health, and gratitude!

Month of Handwritten Notes & Letters: I remember as a kid, I would get so excited to receive mail. As we get older, we lose that excitement when we get to the mailbox and find bills instead of letters or personalized items. Can we bring back this excitement into our lives and others lives again as adults? Can we spread that excitement to the younger generation (and provide a teaching moment since many may not know how to address an envelope)?

Sending a handwritten letter or a personal note to someone is not only impactful for those who are receiving the letter; the sender also benefits from the thought of bringing a smile to someone else's day. Kindness and thoughtfulness can be healing for relationships and can also help to build community and love.

Breakfast with Santa/Cookie Walk

St. Mary's School would like to invite all parish families to this year's Pancake Breakfast with Santa and the Cookie Walk on **Saturday, December 3** from 9am-11am in St. Mary's Dougherty Hall. You can RSVP by scanning the QR code above or by visiting <http://evite.me/jtCzNYS8pS>. If you would like to bake/contribute to the Cookie Walk, you may sign up by visiting <https://www.signupgenius.com/go/4090945A5A72DAAF49-cookie>.

Christmas Outreach at St. Benedict Parish

For Bloomfield Families: Our annual outreach to families with school-aged children in Bloomfield is continuing this year and we need your help. **Beginning November 20**, a tree will be set up in the back of St. Bridget's Church with tags representing the needs as expressed by families, to help them more fully celebrate Christmas this year. Some tags will represent requests for gift cards; others will note a toy or piece of clothing desired by one of the children in the family.

We ask that you take a tag and return the donation, UNWRAPPED, with the original tag (so we know who it goes to) **by Sunday, December 11**. After Mass that day, all gifts need to be taken to the hall and wrapped. If you can give some of your time on December 11 to help transport gifts from church to the hall, and/or then spend an hour wrapping, it would be greatly appreciated! We will then distribute the gifts on **Saturday, December 17** from 1pm-3pm to those families that need a little extra help.

If you have any questions, please call/text (585) 755-9655 or email bloomxmashelp@gmail.com.

For Canandaigua Families: The SVDP Society and Social Ministry Committee of St. Benedict Parish are in the midst of the annual Christmas Outreach Program to aid the neediest families in the Canandaigua community, which has taken place in some shape or form for over 50 years! We accepted applications for Christmas Outreach from families/individuals from October 4-November 5. Tags will soon be placed in St. Mary's Church for parishioners to take and purchase gifts for children.

During the Christmas season, the SVDP Society will distribute food gift cards from local Canandaigua grocery chains to every applicant family and individual applicants.

While we understand that this is not an easy financial burden, we are asking our parishioners to consider making a monetary contribution to the SVDP Society on behalf of our neediest sisters and brothers. Donation envelopes will be placed in an upcoming parish bulletin to be used by our parish community. The Society would be forever grateful if you could see your way clear to help those most in need during this stressful, difficult time of the year.

The financial donations made by St. Benedict's parish community will support the program's purchase of Christmas gifts, aiding Migrant Ministry, and purchasing food gift cards. The SVDP Society would appreciate your donations **by mid-November**, if possible, to allow time to purchase the gifts and food cards. *All checks should be made out to the St. Vincent de Paul Society; please do not make the checks out to St. Benedict Parish.* Your envelopes can be placed in the collection basket at Mass or mailed to the St. Vincent de Paul Society, 120 N. Main St., Canandaigua, NY 14424.

If anyone wishes to buy gifts for an entire family, please call Mary Schmidt at (585) 394-0378.

Please pray for the success of this year's Christmas Outreach Program! We realize that these are financially troubling times for most everyone. Any donation of any size is welcome and appreciated! Thanks in advance for your care, concern, and generosity for those who are most in need of assistance! As Jesus reminded us time and again: "The poor, they will always be with us."

Needed: Mittens & Knitted Items: We are in need of mittens, hats, and scarves for infants and children for this year's Christmas Food Basket Program. If you would like to make a donation of mittens, etc., please place items in the box inside the Dougherty Hall entrance of St. Mary's Church or call Marcia Webster at (585) 394-6836 or Kristine Sullivan at (585) 721-7990 to arrange for a pick-up. We will need the donations **no later than November 29** so that they can be distributed with the Christmas baskets to many families in the Canandaigua/Farmington area. Last year we gave mittens to over 200 children. Thank you for your ongoing support of this important community program.
