**PARISH COMMUNICATION AND PUBLIC RELATIONS GUIDELINES  
DURING IMPLEMENTATION**

**INTRODUCTION**

Being part of *Faith in Our Future* provides many opportunities for good communication with all parishioners and the community as a whole. Suggestions which follow will help others to know what *Faith in Our Future* is and what the parish or Cohort is doing as part of it.

**WAYS TO CONNECT WITH PARISHIONERS OF THE COHORT:**

- Highlight the ways in which your Cohort, by following the Bishop's Directives, is evangelizing and producing future active, committed parish leaders.
- Distribute a joint or collaborative newsletter to all parishioners in the Cohort four times a year.
- Invite all parishioners to attend and participate in events connected with the implementation of the Bishop's Directives.
- Have parish staff members serve as liaisons to key parish or Cohort committees.
- Share information in a consistent place in the parish bulletin.
- Display pictures of collaborative work on the websites of the parishes and in visible locations in all parishes.
- Have students involved in parish activities and ministries.
- Have staff and/or parishioners speak at the announcement time of Mass about significant activities related to implementing the Bishop's Directives.
- Identify parishioners who can provide communication and public relationship services that will be beneficial to the Cohort.
- Have people who have been positively touched by some of the implementation plans write appropriate articles in the bulletin.

**WAYS TO CONNECT WITH THE NEIGHBORHOOD/ TOWN/OR CIVIC COMMUNITY:**

- Establish a method to encourage community and/or business participation in the collaborative activities called for by the Directives, such as sponsoring a meal of celebration at the beginning of a merger or a mission trip for a Cohort group of young people, or a senior outing for parish and community members.
- Include key community leaders on your monthly newsletter distribution list.
- Display Mass times and other appropriate information in local businesses or community centers.
- Create "spirit wear" for a newly merged parish to help with identification of a new name, etc.
- Seek opportunities to share information about your merger, linkage or partnership within your neighborhood or town and with local businesses.
- Provide community businesses with opportunities to advertise or sponsor your activities.
- Share stories about neighborhood/business and community collaboration through your local newspaper. (News Releases and beyond)
- Express interest in establishing/maintaining open lines of communication with neighborhood leaders and community businesses.

**ANNOUNCEMENTS AND BULLETINS ABOUT IMPLEMENTATION OR  
MATERIAL FOR THE PARISH NEWSLETTERS, WEBSITES**

Please adapt all the material that follows to your local circumstances. These are not recipes, but rather ways to save you time, so you do not have to reinvent the wheel to begin your communications campaign! All announcements do not have to be used and the order can be changed depending upon how your parish is participating in *Faith in Our Future*.

**Bulletin Announcements do not take the place of face-to-face meetings such as town hall meetings and other more personal vehicles for communication.**

**Announcement 1**

***Faith in Our Future***

Bishop O'Connell has asked us to implement his Directives which grew out of the *Faith in Our Future* Planning Process. His expectation is that all parishes will work with their Cohort to develop a plan to implement their Model Directives and find ways to collaborate in ministry among the cohort parishes.

Our Cohort includes the following parishes:

Bishop O'Connell has directed us to: (list all Directives for your Cohort)

***Faith in Our Future***

The goals of the *Faith in Our Future* promoted by Bishop O’Connell include:

1. **Strengthen and enliven** the parishes of the Diocese as well as Diocesan-sponsored organizations and ministries.
2. Explore **new models of leadership** in parishes and ministries in institutional settings (schools, colleges, hospitals, nursing homes, prisons, etc.) in order to address the challenges presented by the anticipated retirement of a large number of clergy and religious over the next ten years.
3. **Improve our stewardship** of personnel, finances, and facilities and other parish and Diocesan resources.
4. Establish **collaborative relationships** among the parishes and ministries of the diocese that will build upon the gospel to re/evangelize the local church, especially those who live on the fringes of the church, as well as those who do not yet know Christ.
5. Provide for pastoral ministry to **Hispanic Catholics**, the fastest growing segment of our Diocesan population, within our parishes and organizations.

As our Parish Implementation Team begins its work, as part of the Cohort Implementation Team, to implement the Bishop’s Directives, it will be keeping these goals in mind and alert you to how well it is doing in meeting the goals.
