

## THOUGHTS TO CONSIDER

*Life is a series of Preparations  
and Decisions. There is Wisdom  
and Foresight in Planning Ahead.*

The inevitable need of a family burial place is sometimes expected but more often comes unexpected. Doing now, what must be done later anyway, ensures that no one else will be burdened with having to make those last minute decisions for you.

Preparing today will lessen the emotional impact that our loved ones will experience by providing a certainty of direction at a time when it is needed most. You will have provided for all concerned in a most thorough, thoughtful and considerate way.

## WHY A CATHOLIC CEMETERY?

1

Because of our belief in the resurrection of the body at the end of time.

2

The Catholic Cemetery is consecrated ground, a sacred place.

3

A Catholic Cemetery offers a place for the physical body, so the soul can join with our Lord.

4

Just as the human body deserves to be treated with dignity and respect in life, so should it be in death.

## JESUS, BREAD OF LIFE

Catholic Cemetery offers burial in a place where dignity and respect and the sacredness of life are witnessed to. It is a place where the faithful continue their witness to the entire world of the Good News of Jesus Christ and the hope we share in Resurrection,

A Catholic Cemetery offers a place for ritual prayer, such as the Rite of Committal for the dead and the celebration of the Eucharist. It is also a place for private prayer and reflection.
