

THOUGHTS TO CONSIDER

*Life is a series of Preparations
and Decisions. There is Wisdom
and Foresight in Planning Ahead.*

The inevitable need of a family burial place is sometimes expected but more often comes unexpected. Doing now, what must be done later anyway, ensures that no one else will be burdened with having to make those last minute decisions for you.

Preparing today will lessen the emotional impact that our loved ones will experience by providing a certainty of direction at a time when it is needed most. You will have provided for all concerned in a most thorough, thoughtful and considerate way.

WHAT WE OFFER...

It is in our Catholic Tradition to use beauty and art to help bring to mind the love of Jesus Christ, the saints and their deeds when we look at images that depict them. Consequently, we are in the process of acquiring beautiful statues of our saints as well as an extraordinary Corpus Christi for our chapel altar. Our magnificent mausoleum is constructed with the highest quality granite and marble. We are installing marvelous stained glass windows throughout the mausoleum and chapel area to illustrate the sacredness of this place of rest for the faithful departed.

WHY A CATHOLIC CEMETERY?

1

Because of our belief in the resurrection of the body at the end of time.

2

The Catholic Cemetery is consecrated ground, a sacred place.

3

A Catholic Cemetery offers a place for the physical body, so the soul can join with our Lord.

4

Just as the human body deserves to be treated with dignity and respect in life, so should it be in death.

JESUS, BREAD OF LIFE

As Catholics, we believe that those who died are separated from us physically, though spiritually they remain connected to us. Death does not sever the bonds of communion. Just as we have spent our lives sitting side by side with other parishioners in our regular celebration of the Sacred Mass, we make our final resting place, side by side with our Catholic sisters and brothers on the most Holy Sacred ground of the Catholic cemetery. It is only natural that those who share the same faith in life will wish to carry on that sense of community in death. This is the beauty of a Catholic Cemetery. A community of believers, together resting in peace.

We know that it is heartbreaking when someone we love dies and we have to leave them behind in a final place of rest. But in a Catholic Cemetery they are in a place where their life and their death is respected and the dignity of who they are in Christ is honored. Praying for our loved ones who have passed on to eternal life is connected with scripture, tradition and the doctrine of the communion of saints, which is part of our Catholic Creed. Here at Jesus Bread of Life Catholic Cemetery & Mausoleum we join you and your family in regular prayer for all the souls of the faithful and the dearly departed, including your loved one. They are not alone. Your loved one is resting in peace together with a community of believers in a Consecrated, Sacred and Holy Place that prays for them and for you.
