THE MISSION OF OUR PARISH FAMILY

St. Boniface Parish and St. Meinrad Parish exist to nurture an intentional faith-filled Catholic Community which inspires and empowers all people to follow Jesus Christ. We will continue to "Keep our eyes fixed on Jesus" (Hebrews 12:2) by living the Word of God, celebrating the sacraments with meaningful worship, and calling one another to prayer, Christian Service, and fellowship rooted in the living tradition of a rich German-Catholic heritage.

LET US PRAY TO THE LORD… LORD HEAR OUR PRAYER

Padre's Post

I hope that you have had a great week! As I shared with you in last weekend's homily; we each have a need in our life to live and pray with focus and intention. How is that going? Being intentional is being Christ like, particularly in the midst of the chaos and struggles we find ever present in our culture and community. I encourage you to continue to pay attention to the ebb and flow of your life, particularly challenging our young families who will soon be returning to the routines of school days. Pay attention to the balance you hold with prayer, family activities, work and social engagements. On Monday, the Funeral Mass was celebrated for Kathleen Troesch. May she rest in peace. Let us continue to remember Othmar, her husband, and her family in this time of sadness and loss. The family prayer service on Sunday and the Funeral Mass on Monday were lovely, people reaching out to them, and feeling the support of so many is a powerful experience. Kathleen's children were moved by the generosity of so many. Making time to visit the funeral home or the parish before the Funeral Mass, or to celebrate at Mass with family and even going to the cemetery, makes a difference and a lasting impression. I am grateful for the funeral team we have in place within our parish family, so many details, we are blessed. We are able to provide hospitality and support for our parishioners, their families and guests. To learn more about our parish ministry for funerals visit our website: Parish Life – Funerals & Bereavement

On Tuesday evening, the Pastoral Council met for its regularly scheduled meeting. The group has been meeting for about a year now and continues to develop and grow our parish family. During the commission reports, I was pleased to learn about what is going on in many programs and activities; so many are involved in making up the life of our parish. The Pastoral Council reviewed the mission statement of our parish family and set a task force in place to review our youth ministry programs, to develop a plan for identifying a youth coordinator, and to strengthen our youth ministry programs. This need was identified in our recent Connected in the Spirit survey, and we together need to respond to it well. It was decided to make sure that our high school students are part of the process ensuring that what is being spoken about and developed remains on task.

Have a great week and be assured of my continued prayers for you and your intentions. *PAX - Father Anthony, OSB*
