

CHILD CHALLENGE

Each time you put on your shoes this week, say one thing you're thankful for.

This will help you remember, just like Saint Paul, that God is with you in your everyday life.

FAMILY CHALLENGE

As a family, choose one small thing each person is good at. This week, use that gift to bless someone else. For example: Set the table without being asked.

At the end of the week, share with each other: "How did I use my gift for God?"

SAINT OF THE WEEK!

Saint Peter

Saint Peter's original name was Simon, and he was a fisherman until Jesus called him to follow Him and gave him a new name. Peter loved Jesus, even though he sometimes made mistakes. He was the first to say, "You are the Messiah," and Jesus chose him to be the rock of the Church.

Although Peter once denied Jesus, he was very sorry, and Jesus forgave him. After the Resurrection, Peter preached, healed, and led the early Church. He became the first pope and gave his life for Jesus. We remember him as a brave and faithful apostle.
