

WALK ON WATER

When Peter looked at the big waves, he got scared. But when he looked at Jesus, he could walk on water! Let's help Peter stay on the path to Jesus.

Make the path by coloring the squares from Peter (Bottom Left) to Jesus (Top Right) in blue. You can "move" one square at a time (Up or Right), but you can only step on "Faith Focus" squares. If you hit a "Storm Fear," you must find a way around it!

	A	B	C	D	E	F
6	Looking at the wind	"He is not a ghost!"	"Jesus, save me!"	Following God's will	Remembering my guardian angel	
5	"I'm going to sink!"	Helping a friend	Listening to truth	"I can't do this".	Faith Focus: "You are the Son of God"	Fear of the dark
4	Trusting my feelings	Counting the waves	Asking for help	Wishing I stayed in the boat	Saying a Prayer	Remembering God's Love
3	Faith Focus: "Take courage!"	Complaining	Forgiving someone	Thinking "It's too late"	Looking at Jesus	Doubting the Word
2	Keeping my eyes closed	A moment of quiet prayer	Singing a song of praise	Being brave	Worrying about tomorrow	Hiding my face
1		Remembering a Bible Verse	"What if I fall?"	Being kind	Feeling grumpy	Trusting Jesus
