

SAINT ALOYSIUS PARISH

Green Best Practices

...pay attention to our water consumption, sort our waste and ... turn off lights.”

Pope Francis

1. Place appropriate containers out before event:
 - a. Trash – garbage
 - b. Recycling can with lid for glass, plastic, cans
 - c. Clean paper
2. Use water dispensers or bring your own water containers.
3. Use reusable table cloths whenever possible.
4. Use compostable silverware, plates, cups & glasses - avoid Styrofoam.
Google: Biodegradable Environmentally Friendly Sources.
Smaller quantities can be purchased at the supermarket.
5. Turn on lights as needed, turn off when leaving.

We thank you for “Continuing Care of Creation” CCC
