The love of God has been  
 poured into our hearts!

**PASTOR'S COMMENTS****A New Power**

What could change fear into confidence? What power is strong enough to put fears to rest and bring confidence to life?

Our fears come from many sources. Failure, loneliness, and rejection can all make us afraid to try anything.

Confidence often comes from outside, especially when we cannot find it ourselves. Someone else notices a talent in us that we have overlooked. A friend helps us laugh at ourselves. Or by sheer gift, we receive a new power, a new opportunity that makes all the difference in the world.

What changed the disciples' fear into confidence? Something mighty must have happened. The same group that fled at the arrest and crucifixion of Jesus, the same people who cowered in an upper room after his ascension—these people started proclaiming the message of salvation to large crowds in every language. How did it happen?

There is only one answer. The Holy Spirit made it happen. The Spirit, promised by Jesus, came in wind and fire to lift up the disciples and bolster their confidence.

No matter where your fear comes from, the Holy Spirit may find you and change your life forever. Will you cooperate? Are you ready to share the gifts of the Spirit?

## **“The Five Finger Prayer by Pope Francis”**

- 1. "The thumb is closest finger to you. So start praying for those who are closest to you. They are the easiest to remember. To pray for our dear ones is a “Sweet Obligation.”**
- 2. The next finger is the index. Pray for those who teach you, instruct you and heal you. They need the support and wisdom to show direction to others. Always keep them in your prayers**
- 3. The following finger is the tallest. It reminds us of our leaders, the governors and those who have authority. They need God’s guidance.**
- 4. The fourth finger is the ring finger. Even though it may surprise you, it is our weakest finger. It should remind us to pray for the weakest, the sick or those plagued by problems. They need your prayers.**
- 5. And finally we have our smallest finger, the smallest of all. Your pinkie should remind you to pray for yourself. When you are done praying for the other four groups, you will be able to see your own needs but in the proper perspective, and also you will be able to pray for your own needs in a better way.”**
