**Statement on behalf of the Diocese of Madison on Minneapolis School Shooting**

**Madison** – I join with everyone in offering prayers and sympathy to those who have been impacted by the horrific violence at Annunciation Catholic School in Minneapolis. In such terrible moments, our consolation is the Resurrection of Jesus and his healing power. We commend all the victims of this shooting to the mercy of God and pray for peace and healing for all who are grieving.

+Donald J. Hying  
Bishop of Madison
