# PLAN TO ATTEND OUR CATHOLIC CANCER SUPPORT

We invite you to join us for a free special Catholic cancer support group created specifically for Catholics battling with cancer. Our support group provides an opportunity for people to meet twice a month for mutual emotional support and exchange coping skills with one another in matters relating to cancer.

Laudare is to praise God for where there's a gift of pain and suffering, there's a gift of grace. We shall praise God for mercy, peace and grace.

Benedicere is to bless God for in our suffering, we become a sharer in the redemptive suffering of Christ, and offer it up in union with the Passion of Christ.

Praedicare is to preach the redemption through suffering. Each of our story in fighting cancer is the best homily for the world to hear.

We are a small group of Catholics who were diagnosed with various cancers in different stages. As Catholics, we believe that human suffering can be offered up in union with the Passion of Christ. We acknowledge that suffering is a mystery and joy comes from the discovery of the salvific meaning of suffering which is rooted in Scripture, the teaching of the Catholic Church, and the redemptive suffering of Christ. Human suffering evokes compassion and presents the greatest challenge to faith. Thus, we, as a small community of believers, want to spiritually support, comfort, encourage, understand, hope, and pray for one another. This is a free support program for patients, survivors, and caregivers. Please come to praise, to bless, and to preach/share your story.
