

# Service Reflection

**Let us give concretely to those around us, knowing that by giving to them we are giving to God. Let's give always; let's give a smile, let's offer understanding, and forgiveness. Let's listen, let's share our knowledge, our availability; let's give our time, our talents, our ideas, our work; let's give our experience, our skills; let's share our goods with others... Chiara Lubich**

**A reflection form must be completed for each different service activity.**
