## Build Youth Group

As 2023 comes to a close, we're taking a moment to thank God for all the moments we encountered Him during this semester! We started Build to create community among high school students, and we have been amazed at how God worked through this group! Between students participating in Bible studies for the first time to getting to adore Jesus in the Eucharist, it is clear the Lord was good to us this year! We're so excited to see what 2024 has in store for Build!
