

St. Cecilia School

O A K L E Y

*“Train up children in the way they should go;
even when they are old they will not depart from it.” Proverbs 22:6*

Dear Parents,

I am pleased that you are considering St. Cecilia School to partner with you in educating your child. I am confident that St. Cecilia, working in conjunction with parents, can provide your child with a solid Pre-K through grade 8 education that lays the foundation for success in high school and beyond.

St. Cecilia School has been educating children in the Oakley community for over 100 years, and in that time, countless students have benefited from the educational opportunities offered to them. Although the times have changed, the fundamental mission of our school continues today: to pass on the Catholic Faith, to provide a rigorous academic program, and to build character in its students.

We as educators and those who are part of the St. Cecilia faith community are dedicated to creating and sustaining a culture of excellence so that teachers can teach and students can not only learn, but thrive. We are confident if a true partnership between parents and St. Cecilia exists, students will grow spiritually and gain the necessary knowledge, skills, and habits of mind to lead productive and happy lives.

We look forward to working with you.

Sincerely,
