School's out for the SUMMER!!!

The long awaited (and sometimes dreaded) summer season is upon us. Vacations, longer days, & humidity help us mark the passage of time. Summer offers many of us the opportunity to relax, travel, & knock items off our bucket lists. Sadly, we know that too many of our brothers and sisters don't have this opportunity. From struggling to find child care to lacking access to school lunches, summer is oftentimes a burden to our brothers and sisters on the margins.

As we are all united in the Body of Christ, how we can make life easier for our brothers & sisters who suffer during the summer season? Will we commit to checking in on the well-being of our elderly neighbors? Will we do what we can to help struggling parents who can't afford child care? Will we commit to helping those who lack meaningful employment find the dignity of work?

If you are free and have availability to assist those who might have a need, please call the parish office to let us know!

SUMMER READING

The summer can come with perfect opportunities to get in some MUCH needed *Lectio Divina*. Can you share some of your summer reading suggestions? E-mail them to us at: media@stchristopherparish.org

DISCIPLESHIP PROGRAM

The concentration in discipleship focuses on the spiritual and faith formation of the person while providing an intentional process for gift discernment and theological reflection to help develop ways to live out one's faith. Prayer, dialogue, skills development, faith sharing, and personal reflection are offered in a way that respects each person's spirituality and life experience. The use of small cohort groups models the communal dimension of church, encourages deepening levels of trust, and provides for the articulation and sharing of one's faith story. Each group is supported by a facilitator who provides continuity, models leadership skills, provides prayer experiences, and one-to-one support to the participants. Discernment of gifts and call is an important part of the process and is addressed specifically throughout the program.
