FROM THE PASTOR

We Three Kings...

The journey of the Magi represents the call for all humanity: to go to Our Savior. Most likely at that time, many saw the star in the sky. However, only a few actually made the journey. So also today, the light of Christ shines for all.

Some see and don't understand; some look away; others are drawn to the light. How do you respond to this holy Light?

Once we experience the light of Jesus, we become beacons as well. We experience Christ and then are compelled to take his light into those areas of darkness and ignorance that still abound. When Jesus' light shines, it is truly then that we finally understand the angels' song: *"Glory to God in the highest and peace to his people on earth."*

Let's pray that we may behold God's glory, for the guiding light that we follow today is not a star to the stable in Bethlehem, but the heavenly light that will lead us to our eternal home. The journey for us is not across the Egyptian desert, but through a life filled with faith and love.

Fr. Louie

PARC INTERNATIONAL

9AM-12PM

PRO-LIFE PRAYER WALK BEGINS 9:30AM

Epiphany means manifestation. What the Church celebrates today is the manifestation of our Lord to the whole world; after being made known to the shepherds of Bethlehem He is revealed to the Magi who have

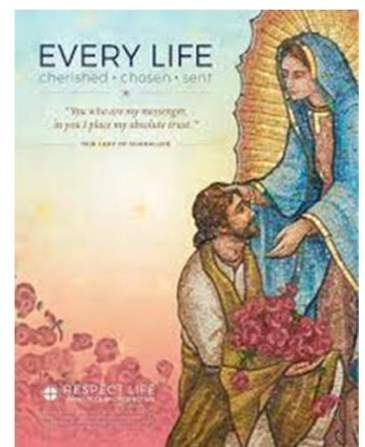

come from the East to adore Him. Christian tradition has ever seen in the Magi the first fruits of the Gentiles; they lead in their wake all the peoples of the earth, and thus the Epiphany is an affirmation of universal salvation. St. Leo brings out this point admirably in a sermon, in which he shows in the adoration of the Magi the beginnings of Christian faith, the time when the great mass of the heathen sets off to follow the star which summons it to seek its Savior.
