FROM THE PASTOR

FRUITS OF THE HOLY SPIRIT

The Feast of Pentecost is coming which brings to a close the Easter season. We are familiar with the seven gifts of the Holy Spirit. Not as many people reflect on the "nine fruits" of the

Holy Spirit. In St. Paul's letter to the Galatians 5:22, he defines those as: love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, self-control." These attributes describe how you not only relate to God, but also with others around you.

For me, the most important of the attributes listed is love, a love that seeks the best for others and is willing to give without seeking anything in return. If we've got this, then I would say that the rest of the attributes may likely also fall neatly into place. How is the Holy Spirit present in your thoughts, words and deeds? Give thanks for all the gifts you have received, look for ways to share them with others: love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control. Maybe you will realize that you have a little bit more Holy Spirit in you than you give yourself credit for.

PRAYER FOR HEALING THE SICK

Lord Jesus Christ, by your patience in suffering you hallowed earthly pain and gave us the example of obedience to your Father's will. Be near [Name] in time of weakness and pain; sustain us by your grace, that their strength and courage may not fail; heal them according to your will; and help them always to believe that what happens to them here is of little account if you hold them in eternal life, my Lord and my God.

Amen
