FROM THE PASTOR

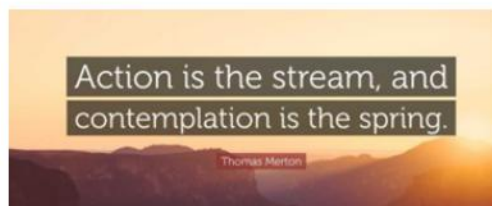

FINDING THAT QUIET SPACE

"Rising early before dawn, Jesus went off to a deserted place where he prayed." That time in prayer strengthened him for his work and mission. We all need such a "deserted place" to reconnect

with God and those things that reside in our hearts. That "deserted place" may be a physical space: it could well be a church or chapel, a walk in the woods, or a chair in a quiet room. That "place" may also be a set-aside time (first thing in the morning, a few minutes after lunch) — wherever and whenever we can escape the noise and busyness of our day so that we might experience the peace of being alone with God.

I personally have discovered over the years that finding this deserted place of prayer has changed and strengthened me in profound ways. Jesus invites us to find spaces for prayer and quiet time in our days to re-center our lives in the love of God, to hear again the voice of God calling us to feelings of grateful joy and helping us to see ways to be of service to others.

Fr. Louie
